DAVIDE POLLICINO

I am a Open Source contributor and Software engineering with 1+ year experience with a full-stack development background, currently purchasing a BS degree in Computer Science, currently working as Campus Ambassador at GeeksForGeeks and Microsoft Student Learn Ambassador. I am deeply interested in algorithms and datastructures, Operating systems and Computer Vision. I also collaborate as volunteer as Media Officer for the Edinburgh Napier Computing Society. **#readytowork #abletoricolate #happytotravel**
